Nice doggy...

Don't Worry- I've done this before

Well...to be perfectly honest...

Go Ahead: I can take criticism

You look great- did you lose weight or something?

Hey look: a light at the end of the tunnel-

Don't be silly- it isn't loaded

I can't believe no one has ever thought of this before!

Look, just between you & me-

That's right: I'll pay you right back

hmmm...what does this button do?

You may feel a little pinch

Trust me: I'm on your side

Hey y'all- watch this!

It's easy. All you have to do is connect these 2 wires...

No silly, that's a dolphin fin

...some assembly required

Of course!- your check is in the mail

I can make this light before it changes

Yeah, that's what everybody thinks

Really? - so you're a cannibal...

Hey wait- I thought he was with you-

Is that what I think it is?

Don't worry-it's not that deep

What have you got to lose?

Yeah, but it's not contagious

Take it easy- no one will ever know

Don't worry, it's just the wind

Nah, I'll just have a bite of yours

I wonder where the mother bear is...

Well, at least it can't get any worse

Certainly! I'll get right on it

Go ahead: I can keep a secret

Wait! It will only take me a second

C'mon, would I lie to you?

One size fits all

Y'know, you can always write it off

I think I know a shortcut
Y'know I wouldn't do this for anybody else
...what they don't know won't hurt them
Now this is off the record, right?
Naw, we don't need to go to the hospital
C'mon, you're gonna love it
Are you sure the power is off?
I know, but it just looks that way
I promise you: I'm quitting
You can't get this anywhere else
Un huh- you'll be the first to know
We don't need directions
We'll make it right later
Let's split up; we'll cover more ground
Hey!-what's that beeping sound?
Naw, they can't hit us at this range
That's odd...
Oops!- I think there's one missing...
